EDUCATION

Oberlin College | Expected Graduation May 2027 | BA Computer Science
4.14 GPA, National Merit Scholarship Winner

Google UX Design Certification Program | July 2023

Completed three case studies using UX/UI design and research skills, including user research, wireframing, low- and high-fidelity prototyping, mockup making, usability testing, and iterating. Made designs focused on accessibility concerns.

RELEVANT EXPERIENCE

Web App Development and Design Intern | OregonASK | build4good | May 2025 – Present

- Created a web-app in Streamlit, HTML, and CSS to be used as a self-assessment tool by afterschool programs in Oregon who are working with OregonASK.
- Led and completed the project design cycle, including UX design, prototyping, coding (software development), user testing, iterating, and working with staff at OregonASK to fulfill their visual and functional preferences.
- Presented on scalability of the tool to a National Childcare Co-Op.

Web Developer and Designer | Motivation Central | Oberlin College Winter Term | January 2025

- Worked full time in a team of two to code an entire responsive website, primarily using JavaScript, CSS, and HTML
- Created a website that includes to-do list functionality which rewards user with confetti and a wheel-spin to potentially win a unique character prize.
- Ensured website was accessible to maximize its usefulness for people with disabilities causing motivation-deficits.

Website Intern and Board Member | Oberlin College Hillel | October 2023 – August 2025

- Worked with client to rebuild Oberlin Hillel's Squarespace website, including updating its information and appearance.
- Used Wix to create a new Cleveland Hillel website, with increased clarity, improved design, and updated information.

OTHER EXPERIENCE

Student Library Assistant | Oberlin College Main Library | May 2024 – May 2025

- Worked in all aspects of library circulation, stacks, and resource sharing. Used library cataloging software and databases to update patron and book information.

Graphic Designer | Oberlin Musical/Student Theater Association | October 2023 – March 2024

- Designed posters and social media graphics to advertise theater shows.
